

Dr. John M. Templeton, Jr. Physician Award for the Commitment to Excellence in Trauma Care

Presented by the American Trauma Society, Pennsylvania Division

“Philanthropist,” “seeker,” “compassionate,” “dedicated”; these and many other words have been used to describe Dr. John M. Templeton, Jr. Dr. Templeton, former Pediatric Surgeon and Trauma Program Director with the Children’s Hospital of Philadelphia, will be remembered by many for his devotion to his patients, his passion for asking the “big” questions, and his commitment to many worthwhile causes. During his 28 years as President of the American Trauma Society, Pennsylvania Division Board of Directors, Dr. Templeton helped lay the groundwork for an ever-expanding trauma prevention program in the Commonwealth. Dr. Templeton was a champion in trauma prevention efforts. His dedication to preventing needless injuries and deaths resulting from traumatic injuries was unparalleled. In recognition of Dr. John M. Templeton, Jr., the Pennsylvania Division of the American Trauma Society has elected to honor him by awarding a scholarship award, in his name, to a physician who has displayed a commitment to excellence in trauma care in the following areas:

- Clinical Expertise
- Philanthropy
- Leadership
- Trauma-related Research
- Trauma Prevention and Education

To nominate a physician for this award, please complete the online nomination form by following the link below.

This award, which includes a \$1,000 cash prize, will be presented during a virtual awards presentation planned for the late summer. **If, for some reason, the award winner is unable to attend, it is expected that the nominator will attend the virtual presentation and accept the award for the winner.**

Nominations must be received no later than **April 30, 2021**. Submit a nomination by [clicking here](#).
