There are two main reasons why children are bullied - appearance and social status. Many parents worry their child may be a victim of bullying, but what if your child *is* the bully?

**Don’t ignore the signs of a bully.**

- Need to dominate
- Focused on themselves
- Poor social skills
- Poor social judgment
- Often, no feelings of empathy or caring
- Abuse alcohol and/or other drugs
- Get into fights
- Early sexual activity
- Criminal activity
