Swimming Safety Tips

- Always supervise children when in or near a pool.
- Teach children to swim responsibly.
- Keep toys away from the pool when not in use.
- Make sure a fence or other barrier is around the pool.
- Keep all electrical appliances away from the pool.
- Store chemicals in a safe location, out of the reach of children.
- Never run on the pool deck.
- For above ground pools, keep ladders locked or remove from the pool when not in use.
